2. D/NRO has responded to your memorandum designating [REDACTED] vice Mr. Sheldon as a member of the Steering Group/Task Force. McMillan "appreciates" the designation and understands that [REDACTED] and Lundahl's participation does not commit the DCI or CIA in any way to the findings of the group.

3. D/NRO has responded to the DCI's request for a briefing on NRO Film Processing. He will be prepared to brief the NRO ExCom on this matter within 2 weeks.
